Every season brings a new magic & different wildlife experience

Throughout the year, as the seasons change, we run a number of Seasonal Safari to highlight different wildlife experiences. From capturing the magic of the Highland dawn chorus to experiencing Scotland at it's most dramatic with the Red Deer Rut, these Seasonal Safaris are a great opportunity to experience Scottish wildlife at its best.

Alpine Safari: (November - March)

Experience the sub-arctic environment, winter wildlife & breathtaking views. Refreshments included in our heated Mountain Bothy at 2500ft.

Dawn Patrol: (May - June)

Capture the magic of the Highland dawn chorus as the moors & glens come to life. Delicious Farm Shop breakfast included.

Sundowner Safari: (June - July)

Watch the sun set from a remote spot 3000' up in Highland Perthshire. The tranquillity of our hills & glens at dusk provide an unforgettable wildlife experience!

Autumn Watch Safari (October - Nov)

Scotland at its most dramatic. Celebrating the amazing autumnal colours and the primal roar of Britain's largest land mammal, the Red Deer.

Spotlight Safari: (November - February)
